If we had workshops, focusing on one area what would you like it to be on?
- Behaviour
- Reading, writing – sitting and learning to concentrate.
- Development – milestones – what can we do to help them reach them.
- Healthy eating.
- Potty training, weaning.

What do you like at the centre?
- Come and meet other children and parents and share experiences together.
- Variety of rooms, toys and outdoors.
- Range of toys to play with, friendly – welcoming.
- Range of different activities, friendly centre, not chaotic and it’s accessible.
- 3 different rooms – lots of toys, the layout is really good.

What do you not like at the centre?
- Nothing x 4
- Nothing but there is not special area for eating / having snack.

What would you like to see change?
- Happy with everything.
- An area for snack, not much climbing outside.
- More under 2’s session in the week / longer session
- Batteries in the toys.
- Nothing.
What would you like more of?

- Always something more, more very welcome (activities, craft, just more) more singing.
- Timing of the session – there should be a variety for a couple of mornings / afternoons / evenings
- Having two song times.
- More items in soft play.
- The variety – reading and songs.

What would you like less of?

- Nothing x 5
