Zoom Challenge

Your first Zoom challenge is to create a fact file about your favourite animal!

To find out about your favourite Animal you could use the Chester Zoo website, watch YouTube videos or find information from an Animal book if you have one.

You can use Google Classroom to create your fact file OR you can create your fact file and send me a picture!

On Thursday we will share our Fact Files and learn about different Animals from each other.

What you must include

Success Criteria:
- Title
- Subheadings (Did you know?)
- At LEAST 5 facts
- Facts must be in your own words
- Pictures
- Colour
