Zoom Challenge 2

Your next zoom challenge is to create a diary of what you get up to in a day. You must include the time you do something using O'clock and half past.

Challenge: Can you include quarter past and half past in your diary?

Example:

This morning I woke up at 8 o'clock. The sun was shining through my window. I got out of bed and went to the kitchen to make myself a hot, milky cup of tea.

Once I had finished my breakfast, I decided I wanted to do some baking. I looked through my cookery book for inspiration and chose to make banana and chocolate muffins. They were delicious!

At half past ten I made myself another cup of tea and went and sat outside. I listened to the birds and watched a squirrel climb up the swaying green trees.
