KS2 Girls' Football Tournament  14.10.16

This was the first-ever girls' tournament in this area and our girls really did themselves and the school proud. Many had only had limited experience of playing football and had never played an actual match. Yet their fantastic determination, energy, teamwork and sportsmanship (or should that be 'sportgirlship'?) saw them finish second in their group. This qualified us for the 3rd/4th place play-off game. Despite us hitting the post and looking the stronger team, it finished goalless, resulting in a penalty shoot-out to decide the outcome. Sadly, this didn't go our way and we narrowly missed out on a bronze medal but there were still beaming smiles and handshakes all around. A tremendous debut by 'The Bananas'; congratulations and well played to all the girls.
