Dear Parent/Carer

DHL will be visiting school on Tuesday 18th July for a Truck and Child Safety "TACS" Demonstration with Year 2. This will be held in the school car park during the morning.

This is a national road safety programme aimed at raising awareness of large vehicles and their dangers. This will complement the Kerb Wise training that Year 2 have participated in this week.

Please could all children have suitable clothing for the weather on the day i.e. raincoats or sunhats and sun cream.

Yours sincerely

Mr A Moorcroft
Headteacher
