Dear Parents/carers,

Safer Internet Day 2019 will be celebrated globally on Tuesday 5th February with the slogan ‘Together for a better Internet’.

This event is Coordinated in the UK by the UK Safer Internet Centre. The celebration sees hundreds of organisations get involved and join a national conversation about using technology responsibly, respectfully, critically and creatively.

Whilst we recognise that the internet is an amazing resource which enables children and young people to connect, communicate and be creative in a number of different ways, we are aware that the internet is always changing, and being able to keep up to date with your children's use of technology can be a challenge.

Issues that your child may encounter on the internet will vary depending on their age and online activities. Parents are therefore invited to a safer Internet Workshop to discuss current issues and ways to keep children safe online. The presentation will take place on Tuesday 5th Feb at 2pm. Please complete the slip and return to your child's teacher if you would like to join us.

Regards

A Oldham
