Dear Parents and Carers,

We are writing to remind you that in the interest of pupil safety there is no access for unauthorised vehicles within the school grounds. Despite a decrease in the number of vehicles attempting to access the site, we are finding that without senior staff presence there is a continued issue.

As such we are writing to inform you that after the half term (Monday 25th February,) the school gate will be locked from 8.30am in the morning and from 3.00pm after school. During this time there will be no access in or out of school for any vehicles other than emergency vehicles and vehicles authorised by school for the provision of children with Specific needs such as a physical disability. These families will be contacted by their respective school and issued with a clearance reference.

If you need to collect your child during the school day for any reason i.e. an appointment, you will be asked to park elsewhere and walk in to school. Please allow yourself additional time to compensate for this.

If you are dropping children off for Oasis, we ask that no parents attempt to enter the grounds once the automatic gate is in action from 8.15am. Please note that if you are late on occasions that you need to be clear from the site no later than 8.25am, otherwise you will need to park and walk in.

When parking to drop children off to walk in to school, please be courteous to our neighbours and park with pupil safety in mind. This includes without blocking drive access points; obscuring the view for the traffic crossing patrol; double parking or parking on the yellow zig-zag road safety lines.

Thank you for your cooperation in this matter and to the parents that are always putting the children first - it is appreciated.

Yours Sincerely,

Mrs Duynstee
Headteacher BLJS

Mr Moorcroft
