Welcome back to Term 5, all be it from home. We hope that you are keeping well, keeping positive and keeping safe. This learning pack is designed to support what the children would have been doing in school this term, but please do not feel that in any way you are required to complete all of the pack or pressure the children into spending lots of time on school work. We know that you are all in different circumstances, that you are balancing your children’s well-being and your own pressures of home working with school work and many other things; all of which, we have never faced before. Please do not worry, just do your best, we will be proud of you and your child whatever you manage to achieve in this time and, more importantly, it is a time to support each other at home and to find new ways to keep safe and happy. We are thinking of you, we are with you and more importantly we will be there for you all when we get to the other side. Our warmest wishes to you all and please let us know if you need anything at all.

Our love and best wishes

**Mr Phillips, Mrs Gill and Mrs Kitt-Martinez and all of the Year 1 Team**

Attached in this pack you will find work to support our topic of ‘Brilliant Bodies’. This unit looks primarily at the 5 Senses and how we as humans are the same and different to other animals.

In the pack you should find:

- Senses Art Ideas
- My Body Outline
- Senses hunt in the garden
- Senses investigation
- Mr Potato Head
- Multiplication Circles
- Maths word problems
- The 5Ks of Sikhism information page and sheet
- 2 comprehensions [varied levels]
- Phonics blends sheets x2 [Phase 4]
- ‘ure’ sound story spotter
- NHS Colouring Poster
- Quotes for the days ahead [just to cheer you up!]

We hope that this pack helps and if you would like us to have any other materials in the next packs, just let us know via the office or the blog.

All of the materials above will be posted on the class pages.
