As the end of term approaches, it gives us a chance to reflect on what has been the strangest of times. In difficult circumstances, we have all pulled together and shown great resilience, determination and collaboration. What an amazing community Brampton has! We cannot thank the staff, pupils, parents and carers enough for their hard work in ensuring Brampton children continued their learning journey. We look forward to welcoming all children back to Brampton in September.

In the meantime, please have a restful summer holiday – it is very well deserved. Stay safe and we’ll see you in September.

**Year 6**

Tomorrow we will be saying goodbye to our Year 6 children. They really are a special bunch and they will forever be remembered as the Lockdown Leavers.

Year 6, as your time at Brampton comes to an end, take a moment to think about how far you have come. We hope you are just as proud of yourselves as we are. Enjoy your summer and make sure you come back to visit us in the future. We look forward to hearing about how you get on at your secondary schools – we are sure you will be amazing!

Throughout the lockdown period, many of you supported your families, the NHS, important charities and your local community. We would like to mention Vidhya in Year 5, who went to extra lengths to support key workers in her local community. Along with her family and residents in her street, Vidhya collected essential supplies (and some choccies!) and put together food parcels for the police, fire service, NHS and other key workers. Well done, Vidhya – your an inspiration to us all!

**Time Capsule**

We are very lucky that Mrs Toliday has donated a time capsule to Brampton for us to fill with things that will remind us of the 2020 lockdown. Please encourage your child to bring something in to school in September to place in the time capsule. This could be a photograph, a diary entry or a piece of work they are proud of.

**Important Dates**

- **Thursday 3rd/Friday 4th September** – INSET Days
- **Whole school returns on Monday 7th September**
This year, we are sadly saying farewell to some much loved members of staff. We have asked them to say a few words before they go. We know you will join us in thanking them for their hard work at Brampton and wishing them well for the future.

On this day of departure, I am divided between two intense feelings: the pleasure of living other adventures as part of the continuation of my professional career and the sadness of leaving work colleagues and pupils whom I strongly appreciate. I wish all of you at Brampton massive good luck and professional success that meets your personal ambitions. Vous allez tellement me manquer. affectueusement

To all staff, pupils, parents and carers
I would like to say a huge thank you for the love, support, fun times and memories I have shared with you all for the last 8 years. I really have enjoyed working with you all, and the children at Brampton are truly amazing. As I move on to my new adventure at Cleeve Meadows Secondary School, I would like to wish you all lots of luck in your new classes and truly know you have brilliant teachers, TAs, headteacher, deputy headteacher and every other member of the Brampton team supporting you.
Year 6 - it has been the best 7 years!! Thank you all for all the fun times. Good luck for secondary school. I will miss you lots. Have a fabulous summer and hopefully our paths will cross in the future.

Dear all,
I would just like to wish the whole of Brampton all the best for the future as I leave at the end of this term. I've been a part of the school for many years and have really enjoyed seeing all the children grow and flourish over the years. It never ceases to amaze me to see what the children achieve from Reception to Year 6 on their journey through school, it's been lovely to have been a part of that. I will miss each and everyone of you and be thinking of you all in September when I'm enjoying my garden and a cuppa at home, I do hope that you will see me from time to time when I visit. Have a wonderful summer holiday, stay safe and look after each other.
Love from.
