**These tasks must be completed every week:**

<table>
<thead>
<tr>
<th>Times Tables</th>
<th>Reading</th>
<th>Spellings</th>
</tr>
</thead>
<tbody>
<tr>
<td>Children should continue to practise their times tables each week. Specific Times Tables will be practised in school. Children can use Education City to complete timed Multiplication Tests. Speak to Class Teacher if login information is needed.</td>
<td>Reading should take place each night and be recorded in your reading records. Remember to bring these to school on a Friday to show your teacher.</td>
<td>A spelling pattern will be taught and sent home for practice before your test. Remember that you will also be tested on other words that follow the pattern.</td>
</tr>
</tbody>
</table>

- You must collect at least 10 homework stars this half-term by choosing different homework tasks to complete.
- You must choose at least one Maths and at least one English activity.
- You can bring in tasks as soon as they are completed or bring it all in at the end in one go. Final hand in date: Monday 21st October 2019

### 1 Star Tasks

- **Write the top ten most interesting or yucky facts that you find out about the digestive system.**

### 2 Star Tasks

- **Topic:** Use objects from around your house to create a model of the human digestive system

### 3 Star Tasks

- **Topic:** Make or draw a collage or diagram of the digestive system.

---

### 1 Star Tasks

- **English:** Create an acrostic poem out of the word DIGESTIVE. Keep your vocabulary based around the topic and include adjectives and similes.

- **Maths:** Investigate how many teeth different animals. Which animal has the most teeth? Which animal has the fewest?

### 2 Star Tasks
