An Important Message from PC Claydon
– our local Community Police Officer

I’d like to remind all drivers of the importance of parking in a considerate and correct manner when visiting the school. I know we’re all busy in the mornings trying to get our children ready for school and to school on time as well as getting ourselves to work on time but there really is no excuse for parking in an inconsiderate manner.

- Please do not park across dropped kerbs and thus obstruct driveways. I appreciate you may only intend to be there for a minute or two and I’m sure most of you are reasonable enough to move your car immediately should you be requested to do so by the home owner.

  Please note that obstructing a driveway with a drop kerb is enforceable.

- **DO NOT PARK ON THE ZIG ZAG LINES** by the pedestrian crossing. NO EXCUSE! The zig zag lines, as well as the yellow school no parking zig zags, are there for a good reason. This is enforceable by the Council and by the Police.

  Parking on the zig zig lines carries a £100 fine and a 3 point penalty on your driver’s licence. That means you’ll have to call your insurance company and notify them that you have 3 points this will affect your insurance premium.

  The zebra crossing zig zag lines are enforceable 24 hours, 7 day a week.
