**Information for parent/carers regarding new Home Learning packs**

Dear Parent/Carers

We hope this letter finds you all well.

We are pleased to inform you that a new Home Learning pack for the next two weeks (Monday 20th April – Friday 1st May) will now be available to collect from outside the main school entrance. Strict social distancing will need to be followed when you collect the pack, please.

Collection of the packs is scheduled for **Monday 20th April**.

The arrangements are as follows:
- **Year Six and Year Five** packs to be collected between 10am and 11am on this day.
- **Year Four and Year Three** packs to be collected between 11am and 12pm.
- **Year Two and Year One** packs to be collected between 1pm and 2pm.
- **Reception and Nursery** packs to be collected between 2pm and 3pm.

Please note if you have siblings in different year groups, these packs can be collected at the same time as your oldest child’s pack.

If you are unable to collect on Monday 20th, the same timetable hours will also operate on Tuesday 21st.

We hope the children remain keen to engage in their learning. Routine and structure will continue to be important for them as we move in to the Summer Term. Well done to you all as parents/carers for supporting them – please keep it up!

**Message for the children**

Hello everyone – I hope you are all okay and making the most of your home learning. We look forward to hearing from you about any important learning milestones, birthdays and even wobbly teeth – just ask a grown up to help you email us. If any of you wish to write a letter to your teacher, then please do so and email it to us at info@buckingham.richmond.sch.uk (the longer the better). Also please do send us any photos of great learning activities along the way. Your teachers would be delighted to see what you have all been up to. They also hope to speak to you soon.

We have missed seeing you all very much and wish you well for the next few weeks.

Yours sincerely

Caroline Boyle
Headteacher
