11th November 2019

Year One Visit around the Local Area

Dear Parents/Carers,

As part of our Geography topic, we have arranged a walk around the local area on Thursday 21st November 2019.

We will be looking at the human and physical features of our local area. Physical features occur in the natural world therefore we will be looking for any seasonal changes we can see. Whereas human features are built by humans such as different types of houses and shops. On our trip we will be taking lots of photographs to help us complete a piece of writing back at school.

The visit will take place during the morning only and the children will be back in school by lunchtime. They will require a waterproof coat.

If you have any questions, please do not hesitate to ask us.

Yours sincerely,

Miss Gathern
Miss McKenna
Miss French
Maple Class Teacher
Beech Class Teacher
Walnut Class Teacher
