Dear Parents/Carers,

**Richmond Safe Walking Scheme for Year Three Children**

**A Pedestrian Training Scheme**

Year Three pupils have been invited to take part in the ‘Richmond Safe Walking Scheme’ which involves practical training in crossing roads. Training will take place in roads around the school and will be carried out by a team of trained instructors from the Safety Education Team, London Borough of Richmond upon Thames, on **Monday 9th, Tuesday 10th and Wednesday 11th March**.

All pupils will be wearing high visibility clothing and risk assessments have been carried out on the sites which are to be used. All the pupils will be closely supervised by the trainers, each having a group size of no more than four pupils at a time.

Most of you have already given permission for your child to take part in local walks on the blue form you completed earlier this academic year. If you have not given permission for your child to take part in local walks, your child’s class teacher will be in contact with you.

As part of the road safety educational services that the Council offer free of charge to schools within the Borough, a professional photographer has been commissioned to take some pictures of the Safe Walking for publicity purposes. Our school has been selected as one of the schools to be photographed. The photos will be stored securely at the Council and they will not be associated with any individuals names or details. Their usage will only be for publicity material to promote the road safety service.

We would be grateful if you could use the online service (Scopay) to give permission by clicking the consent box for your child to be photographed, and for the photos to be used for publicity purposes.

Yours sincerely,
