- The children may wear their own clothes for the journey on Wednesday. However, please ensure your child wears a school sweatshirt for the journey.

- Pocket Money - the children may bring up to £5 to spend in the shop. Please put it in a named envelope or purse and hand it to an accompanying member of staff for safekeeping on arrival at school.

- Cameras - the children are responsible for their own cameras. I suggest a disposable one in case of loss. They should be named.

- Activity books or small travel games - are useful for the coach journey (although it is a short).

- Medicines - please put any medication your child requires, in named bottles, bags or packets, with written details of when and how much should be taken. Please hand any medication (including inhalers) to an accompanying member of staff for safekeeping on arrival at school. If your child suffers from travel sickness, please give them their medication before you leave home on Wednesday morning and give us the required dose for the return journey. Please note medicines cannot be given without written consent and instructions.

Please ensure your child does NOT bring the following items: jewellery, mobile phones, ipods, electronic games, alarm clocks, torches (hallway lights are kept on at night), sweets or extra food. (There are good, healthy and plentiful food choices!) The children will be given a small treat in the evening.

- There is no need to provide your child with any bedding – the Centre provides it.

Thank you for your co-operation.
