Dear Parents and Carers,

Scooter Training in Year 2

We are delighted to tell you that we have booked a session of Scooter Safety Training for each of the Year Two classes and that these will take place on Thursday and Friday 28th and 29th November here in our school playground.

All Year Two pupils will be offered an opportunity to participate in the Richmond Borough Scooter Proficiency training course. This is very similar to the Cycling Proficiency course that is offered in Years 6 but it is especially designed to help younger children to ride their scooters safely.

The children will be taught in small groups in our playground by trained instructors from Richmond Borough Schools’ Safety Team.

If your child does not have a scooter or is inexperienced with scooters, it is not a problem at all as we are sure that some children will be happy to share their scooters so that those new to ‘scooting’ can still join in and learn some skills.

Please let us know, by completing and returning the form below, whether you give permission for your child to participate in our scooter training programme. Also please tick the box if you are happy for your child’s scooter to be shared. Scooters will not be shared without your permission.

We look forward to hearing from you by Wednesday, 27th November and we hope that you agree that this is a very exciting opportunity for your children.

Yours sincerely

Mrs S Day
Assistant Headteacher

CHESTNUT and SYCAMORE CLASSES - Scooter Safety Training

☐ I give permission for my child ............................................................... to participate in the Year 2 Scooter Training programme on Thursday 28th November 2019.

☐ I give permission for my child’s scooter to be shared.
