Dear Parents/Carers,

World Book Day

Buckingham Primary School will be celebrating World Book Day’s 22nd birthday on Thursday 5th March 2020.

To celebrate World Book Day this year, your child may come to school dressed a character from their favourite book. Alternatively, your child could create their own prop or part of a costume from a book that they have enjoyed reading. This could include making items such as a homemade hat, wand, badge or t-shirt. They may also choose to bring in their favourite book, to share with their class. Please note children are not to wear football kits as a costume on this day.

Ahead of our celebration in school, you may want to visit the official World Book Day website: http://worldbookday.com/, for further information and resources.

Yours sincerely,

Mr J Gale
Assistant Head
