Dear Parents/Carers,

Thank you for your support over these recent and uncertain days. We are grateful for the many messages of goodwill, as we have continued to respond to a rapidly changing situation.

You will be aware of the government’s announcement on the closure of schools but we are still awaiting further detail to clarify a number of areas.

We understand that some provision will need to be offered for those children designated vulnerable and for children of Key Workers who are without childcare.

We will endeavour to keep you updated with as much information moving forwards. Home learning packs will be sent home tomorrow.

I am meeting with local Head Teachers later on today to discuss plans and share resources where needed. We are conscious of the staffing shortages that all schools are currently experiencing but are also aware of our very strong Buckingham community and desire to do the best for our children.

Thank you for your ongoing support.

Caroline Boyle
Headteacher
