Friday 20th March

Dear Parents/Carers,

As you are aware, all schools are closed from Monday 23rd March until further notice.

The latest advice from the Government is that:

- **Children should be kept at home as it is safer for them to be isolated from others.** A very small group of children will be able to attend some provision at Buckingham Primary School; the school will inform you, as soon as possible, if your child is one of these. Timings and arrangements will be communicated to you in due course.

- Parents/carers should **not** rely for childcare upon those who are advised to be in the stringent social distancing category, for example, grandparents, friends, or family members with underlying conditions.

- Parents/carers should also do everything they can to ensure children are not mixing socially in a way which can continue to spread the virus. They should observe the same social distancing principles as adults.

Thank you for your support in what is a very busy, unprecedented time for us here at Buckingham.

Best wishes,

Caroline Boyle
