Dear Parents/Carers,

Firstly, a warm welcome to all of you from the Year Six team.

We hope that your children will have a happy and successful time with us, as well as being hard working, in this their important final year at Buckingham Primary School.

In order that the children’s needs can be met, we will be grouping them into different sets for Maths and English. You may hear from your child that they have been placed with children from the other classes. The Maths and English groups will be defined according to your child’s end-of-year attainment in Year Five and on-going assessments. These groups will be reviewed regularly throughout the year.

Recognising that some children may now be ready to travel to and from school independently, we would be grateful if you could complete the form below if you wish your child to do so. We are unable to dismiss them from class without an adult collecting them or a signed permission form. Year Six children are not allowed to take younger siblings home. If you give permission for your child to travel to and from school independently, they are permitted to carry a mobile phone for emergency contact. Please read and sign the attached Mobile Phone Use Agreement and return it to your child’s class teacher along with the signed slip below.

Please feel free to see us informally at the end of the day or, if a longer meeting is required, please contact the school office to arrange an appointment. We are looking forward to meeting all of you at our Year Six Parents’ meeting at 2:30pm on Wednesday 12th September.

Yours sincerely,

The Year Six Team

(Miss Read, Mr Pontifex, Mr Gale & Mrs Clarke)

I give permission for my child, .................................., in ..............................Class to walk to and from Buckingham Primary School without adult supervision.

Signed ................................. (parent/carer)
