Dear Parents and Carers,

We are delighted to tell you that we have arranged for Willow Class to visit Hampton Library on Wednesday 13th November in the morning.

We will be walking there and back accompanied by an appropriate number of adults. Whilst there we will be shown how to use the Library and will also have time to have a look around.

If your child already has a London Borough of Richmond Library Card they are very welcome to bring it along so that they may choose some books to take home.

Please log onto your SCOpay account and tick the permission box in order for your child to take part. Please could you do this by Monday 11th November.

Many thanks

Mrs S Day
Willow Class teacher
