Dear Parents and Carers,

As part of our topic this term on ‘The Anglo-Saxons,’ we are delighted to inform you that we have booked a History Workshop for our Year Five classes. The workshop will be led by the company ‘Portals to the Past’ and will take place on Wednesday 4th December 2019.

This ‘hands-on,’ educational workshop will bring our history lessons to life and allow us to experience the real flavour of Saxon England. From the hierarchy and etiquette of the Lord’s Hall; the language and the story of Beowulf; to the burial of a Saxon king and how archaeologists piece together the information they find on digs, this activity-based Saxon workshop will bring the period to life. It will be a fantastic opportunity for the children to review their learning whilst also having great fun!

The cost of booking this educational visit for your children is £5.16. We know they will absolutely love taking part and we hope that you will support us in this venture.

Please go online via Scopay to make the payment by Monday 2nd December. By making the payment you are giving consent for your child to take part in this workshop.

With many thanks,

The Year Five Team
