Separate notification will always be given in advance of any outing taking place, giving times, dates and activities involved. Please complete both sides of the attached form leaving blank the visit/activity section, as this will be advised on an as and when basis. Completing the form will cover all activities whilst your child is at Burchetts Green. It is important that you advise any changes to the contact numbers or your child’s health so the information held can be updated.

It is the school’s policy to use coaches and minibuses that are fitted with seatbelts to a recognised standard. 3-point lap and diagonal belts are recommended/preferred but not required provided seatbelts are in conformity with appropriate legal and safety standards.

I agree to my child wearing seat belts in line with the school’s policy.
