**Make a Minibeast Mansion**

**You will need:**
- four wooden pallets;
- dead wood, such as twigs;
- grass, moss and dry leaves;
- stones;
- tiles or broken, old plant pots.

**Method**
1. First, choose a good spot for your bug hotel.
2. Then, ask an adult to help you to stack the wooden pallets one on top of another.
3. Next, fill the gaps between the pallets using the things you have found. You could make soft beds, exciting tunnels or dark caves for the bugs to explore.
4. Make a roof using tiles or old plant pots.
5. Let the crawling critters explore their perfect hideaway.

**Quick Questions**

1. **Find** and **copy two** adjectives from the third step of the method.

2. Which of these could you use to make a roof? 
   - tiles
   - grass
   - moss
   - plant pots
   Tick **two**.

3. Why might the method tell you to **ask an adult** in the second step?

4. Number these steps from 1-4 to show the order that they happen in the method. The first one has been done for you.
   - Make a roof for your bug hotel.
   - Fill the gaps between the pallets.
   - Choose a good spot.
   - Stack the wooden pallets.
