Mrs Watson's Classroom Newsletter

Transition to Year 6
Welcome to Year 6.
In year 6 the pupils need to work very hard to prepare themselves for High School. I endeavor to encourage all pupils to be very independent and to try to be organised and take responsibility for ensuring they come to school with correct equipment and return letters on time. Reading/homework folders need to come to school each day.

SATs 2019
Monday 13th May – Thursday 16th May Please do not book any holidays during the week of the SATs as they will not be authorised.

PE
PE days
Tuesday - Gymnastics
Wednesday- Multi Skills

Please ensure your child brings their PE kit in on these days- or better still leave it at school so it is there when they need it! Thank you.

School Website
Don’t forget to visit our school website regularly to keep up to date with what is happening in school.

http://www.burradoncommunityprimaryschool.co.uk/

Newsletters, dates for diary, information of upcoming events, after school clubs and much more can be accessed on the website.

There are links for pupils to access useful educational websites to support them with their studies.

Please take a look and encourage your child to use the website.

Half Term Targets
Your child will be bringing home their half terms targets for reading, writing and maths to share with you, please encourage your child to think about their targets as they will help them to move forward.

Homework
Spellings will be given out on a Monday with a spelling test the following Monday.

Mathematics and English will be given out on Thursday for the following Monday.

Pupils can use ICT suite at lunchtimes to support them in completion of homework. Also Homework club is available on a Monday lunchtime with staff to support pupils with their homework.

Thank you for your support.
