You may have seen in the local press that our planning application to replace the 3 demountable classrooms has been accepted by Southend Borough Council. I hope you agree that this is fantastic news! The plans include 4 classrooms (larger than our inside classes), a toilet block, an office and an additional room for small group work. At the moment, we anticipate the new block will house our year 2 children, having 4 classes instead of 3 means that a year group can be together. There are still some decisions to made, but we are hopeful that the building work will begin sometime in July. I will keep you updated with more definite plans as and when we have them.

We have managed to secure funding for the build, through a combination of saved school budget, council donation and grants. However, we are relying on fundraising to ensure the inside of the classrooms are fully stocked with top quality furniture and resources. We will holding some fund-raising events in school and would really appreciate your support, you can also donate on our PTA page https://www.wonderful.org/fundraiser/infantschool-316b7a55. Please take a look at the page, the children along with David Horne, our ICT Technician, have created a wonderful film about our exciting project.

Thank you in advance of your support
Sarah Clements

---

We, once again, ask for your generosity and support next week. We are collecting food on behalf on Southend Food Bank, a charity that provides food parcels to the most vulnerable and needy in our local community. The charity have requested that you do not donate dried pasta or tims of baked beans, as they well stocked with these already. They have suggested tinned vegetables, cereals, UHT milk and squash. For each item that is donated by the children they will awarded a house point. We will be collecting food all week, starting from Monday 17th June. For more information please see https://southend.foodbank.org.uk/give-help/donate-food/

Many thanks

---

New build

We are delighted to hear that the Infant School is now able to progress with its vision to create a new state of the art classroom block and are excited to be able to support the school in fundraising for the fit out of these classrooms.

As a registered charity, we are able to claim Gift Aid on donations made by UK taxpayers to the PTA which increases the amount of each donation by 25%. As such, we have registered with Wonderful.org, a not for profit organisation, that will process and pay to our charity 100% (including the associated Gift Aid) of all donations, up to £1,000 each.

If you would like to make a donation (up to £1,000) to this special fundraiser, please click on the link below where you will be taken to the charity’s “Infant School classroom fit out” sponsorship page and where you will find a wonderfully entertaining video from the Infant School children explaining why this project is so important to them.

https://www.wonderful.org/fundraiser/infantschool-316b7a55

If you wish to make an extremely generous donation, in excess of the £1,000 limit set by Wonderful.org, please contact the Infant School reception where arrangements can be made for collection of both the donation and Gift Aid.

Please note:
The Wonderful.org site includes 2 pages for our PTA charity. The first for the Classroom fit out fundraiser, accessed via the link above, plus a second page where General donations can be made to our usual fundraising, which this year includes the replacement of the playground treehouse. On our pages of the website, if you click the “Sponsor” or “Sponsor Chalkwell Hall” green buttons that will enable you to make a donation just to the Classroom fit out fundraiser. If you click on the green “Donate now” button, that will allow you to make a general donation to our usual fundraising for both schools.

Match funding

Following on from the classroom fit out fundraiser above and in advance of our biggest event of the year, the Summer Fete, we would once again ask, if you work for a company that operates a “Match funding” scheme, that you consider registering the PTA as your nominated charity.

Not all companies offer Match funding but those that do will pledge a sum of money relating to the amount an employee has raised for or donated to their nominated charity (often £ for £). Generally speaking, banks and building societies, insurance companies, supermarkets, utility providers, phone companies and car manufacturers are known historically to offer Match funding schemes. So, if you plan to volunteer to help at our Summer Fete or make a donation to the PTA charity then please contact your company’s Human Resources department to check whether they operate such a scheme.

Just to repeat the example we previously mentioned, one parent, who volunteered to help on a stall at our Summer Fete last year, was given a £500 donation to the PTA by their employer from Match funding. Contributions like this make a huge difference to the success of the PTA and the support we can give to the schools so if you are able to help us in this way please email ptachalkwellhall@gmail.com

Village Green

Just a reminder that Southend’s best loved arts and music festival returns to Chalkwell Park on Saturday 17th July 2019. If you plan to attend please purchase tickets via the link below to raise £1 per ticket for the PTA at no additional cost to yourselves.
