CHALKWELL HALL INFANT SCHOOL

EQUALITIES POLICY

Approved and Reviewed on: Spring 2021
INTRODUCTION

Statement/Principles

The policy outlines the commitment of the staff and Governors to promote equality. This involves tackling the barriers which could lead to unequal outcomes for identified groups of pupils in school, ensuring there is equality of access and celebrating and valuing the heritage and strengths of the school community.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At Chalkwell Hall Infant School, equality is a key principle for treating all people the same irrespective of their gender, ethnicity, disability, religious beliefs/faith tradition, sexual orientation, age or any other recognised area of discrimination.

This policy has been drawn up as a result of discussion between different stakeholders.

The person on the staff responsible for co-ordinating the monitoring and evaluation is the Headteacher, who will be responsible for:

- Providing updates on equalities legislation and the school's responsibilities in this regard;
- Working closely with the governors in this area;
- Supporting positively the evaluation activities that monitor the impact and success of the policy on pupils from different groups, e.g. SEN, Looked After Children, Minority Ethnic including Traveller and EAL pupils and Free School Meals, in the following recommended areas:

  - Behaviour discipline and exclusions
  - Attendance
  - Admissions
  - Incidents of prejudice related bullying and all forms of bullying
  - Parental involvement

Public Sector Equality Duty

The Public Sector Equality Duty requires our school to publish information about Equalities.

The Equality Act 2010 clearly states that the following groups must be taken into account. People identified in the following groups are considered to have a protected characteristic.

Protected Characteristics – school must take into account when publishing information:

- Disability
- Sex (gender)
- Race (ethnicity)
- Pregnancy and Maternity
- Religion and Belief
- Sexual Orientation
- Transgender

There are also two other protected characteristics where schools do not have a direct duty:

- Age
- Marriage and Civil Partnership

The information we publish and analyse must be clearly linked to the three aims (General Duties) of the Public Sector Equality Duty. General duties are the things that schools aim to achieve.

General Duties

The three aims of the Public Sector Equality Duty are to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.
