Corpus Christi School is committed to safeguarding and promoting the welfare of all our children and expects all staff and volunteers to share this commitment. Our designated Safeguarding Officers are Mrs Baxter, Mrs Sanders, Mr Sheehan and Mrs McMullen. Our safeguarding Governor is Miss Major. The school has a Child Protection policy which can be viewed at the school office.

Dear parents and carers,

And so another academic year has drawn to a close. We have had 17 long weeks since lockdown began. Those weeks have brought highs and lows, all of which were unexpected. We have missed normality, we have missed our families, we have certainly missed our children here at school. However there will be things that maybe we don’t take for granted anymore and it has definitely made us look at things in a different way.

It has been a pleasure to be able to celebrate the end of primary school in some small way with our Year 6’s. We clapped them out 17 weeks ago but thankfully were able to do the same again yesterday after celebrating their successes. We wish them all the very best for secondary school. I think all children, although I am sure that there have been times when it has been a struggle, will have learnt something about themselves during this time. How they learn, what they miss, what they really enjoy. This will stand them in good stead.

We look forward to welcoming all of our children back in September. School starts on Thursday 3rd September for Years 1 – 6, Monday 7th for Reception and Monday 14th for Nursery. Final details and arrangements will be sent out by email next week.

Heather from the Lunchbowl Network Charity has requested that if you have school shoes that don't fit anymore please could you keep them and we will have a date in September that she will come and collect them all to take for the children in Africa. That would be wonderful, thank you.

I wish to thank all of you for your support during this time – your presents, cards and good wishes are so appreciated by me and all the staff. Thank you so much.

I also want to thank all the staff for their unstinting work and support to me personally during the past few weeks. They have been incredible.

We say goodbye to Mrs Lyn Rogers, Mrs Cruickshank, Miss McCreesh, Miss Diaz and Mrs Byrne and wish them all the very best for the future.

It remains to wish you all a peaceful summer, whatever your plans may be.

Stay safe and well, see you in September.

With my love and prayers.

Marie Baxter

**Dates for your diary**

- **Wednesday 2nd Sept**
  INSET Day – School Closed

- **Thursday 3rd Sept**
  Children in years 1, 2, 3, 4, 5 and 6 return to school – more details to follow

- **Monday 7th Sept**
  Reception Children start School – More details to follow

- **Monday 14th Sept – Friday 18th Sept**
  Nursery ‘Stay and Play’ days

- **Monday 21st Sept**
  Nursery Children start School

- **Thursday 22nd Oct**
  Break up for Half Term

---

As the heat of this year cools

As the stress of this year fades

May the grace of this year rise

May the gifts of this year shine
Dear Parents,

It has been wonderful to see the children's work that has been sent in using Google Classroom. Thank you for your support in helping your children to access the Home Learning, we are excited with how we will be able to progress with this learning platform in September.

Google Classroom will now be closed for the Summer and your child's new class will open in September.

Please read the information leaflet from the London Grid for Learning below for guidance on how to keep safe online. For further information on Online Safety and how to report concerns visit our school website:

https://www.corpuschristikingston.co.uk/computing/

Wishing you a peaceful summer,

Mr Sheehan
Keep Kids Connected

Dons Local Action Group is looking for laptop & tablet donations and volunteers

Since its creation late March, Dons Local Action Group has been supporting the local communities of Merton, Wandsworth, Kingston and surrounding areas tackling food poverty and digital exclusion.

Over 20,000 food boxes have been delivered to vulnerable and isolated people and 600+ laptops/tablets distributed to children giving them access to remote learning. Everybody in the organisation is a volunteer and we are looking for more help: collect food donations at our stalls outside local supermarkets (http://bit.ly/DLAsupermarkets-map), drivers, admin. jobs, etc.

Also, if you have any laptops/tablets up to 8 years old to donate, please contact us via www.keepkidsconnected.co.uk. We can wipe out all data and fix faulty devices. The need is high as we have over 200 names on the waiting list. Alternatively, we also have an amazon wishlist for spare parts. You can find the details through the above website.

If you’d like to get involved: DLAGVolunteer@afcwimbledonfoundation.org.uk, Facebook - Dons Local Action, Twitter: @DonsLocalAction, Instagram: @donslocalactiongroup

Donations to: https://www.justgiving.com/crowdfunding/donslocalactiongroup

Summer Holiday Sponsored Challenge around Great Britain!

Did you know that it is around 835 miles from Land’s End in Cornwall, England all the way to John O’Groats in Scotland? Lots of people take the challenge to walk or cycle this famous route all year round and we would like to set a sponsored challenge to all Corpus children (and their families!) to try and walk, run or cycle any part of this distance during the summer holidays to help raise funds for our school. It is also a great way to help with keeping fit too!

There is no obligation to do all 835 miles in your chosen activity - you can do as many miles as you like or that you can manage, but wouldn’t it be great if between all of us we can do the whole route and raise lots of money at the same time? We hope you are ready to accept the challenge.

Good luck and let’s see how far we can go!

The sponsorship form has been sent out via ParentMail, please contact the School Office if you would like a printed copy.

If you have concerns

Talk to your child’s school.

Report any serious abuse using the national CLICK CEOP link. This takes you to a site managed by the Child Protection and Online Protection Centre (CEOP) www.ceop.police.uk/

Develop digital skills

Swimming pools can be dangerous places, so we teach children to swim. Crossing the road can be dangerous, so we teach children road safety skills. We do not allow children to swim or cross roads. In the same way, we must teach children to be safe in the online world, so they can have fun, communicate, create and learn. We must also be aware of the danger signs so we can deal with any situation.

Benefits of online access at home

Many studies have shown that there are benefits to having access to technology and the Internet at home. These can include:

- Supports homework and revision.
- Improves students’ achievement.
- Makes learning more fun and creative.
- Provides access to a wider range of learning materials.
- Offers students choice in what they learn, when they learn and how they learn.
- Connects learning at school with learning at home.

Using technology at home and at school develops skills for life.

Young People and E-Safety

Advice for parents and carers

Young people have been born into a digital age. They use technology as part of their everyday lives. They can seem to be expert online, but young people do not have the life experience of adults and need your support. You can help by talking and listening to your child about what they do online and providing unconditional support.

Develop trust

It can be surprisingly easy for young people to access inappropriate material, mostly accidentally. So try to develop trust. It is most important that your child feels able to tell you if they feel anything inappropriate, do something “wrong” or they get inappropriate or unwanted attention from someone. There are some issues such as online gambling or sites that promote being very thin for example, that your child could also be affected by. If something happens, don’t overreact. Children experiment and make mistakes. Stay calm.

Listen to your child

Encourage debate and questioning, particularly on local and world events and help them see different points of view. Help them understand that what they see or read may not be the whole picture.
Tips for parents

Take age-appropriate precautions

With young children:
- Use technology in a shared family room.
- Find and make child-friendly sites and settings for them to use.
- Use child-friendly search engines such as:
  - www.kids.org.uk
  - www.palereachforkids.com
  - www.primaryschoolict.com
  - www.swiggle.org.uk

- Check the age rating of the games your child plays. There is help from organisations such as Common Sense Media.

 Filter / block / stop - short-term protection
 Develop digital skills - protection for life

Talk to your child: Conversation starters

What site are you using?
Why do you like the site?
What can you do on it?
What’s so fun about it?
Who uses it at school?
Who can you talk to when on the site?
Who are your friends on it?

Put in sensible technical solutions

Most Internet Service Providers and mobile phone companies offer filtering systems and parental controls to help you safeguard your child at home or on the move. Find out how these work from your provider, or see support online such as safer Internet Centre.

Bear in mind what older siblings might be showing your younger brother or sister. Be aware of your own behaviour, as children copy their parents. So agree some rules as a whole family. There are help guides from organisations such as Connect Safely and RFC websites.

Using the Internet safely at home develops family boundaries

Some useful guidelines for you to use when you talk to your child:
- Be kind online. Just because you can’t see a person doesn’t mean that you can’t hurt or offend.
- Think before you post or forward anything. Think about those others! Once you upload comments, pictures or videos, others will be able to see or capture them.
- Don’t upload pictures or videos of others without their permission. Everyone has a right to protect their data.
- Play virtual BUT live real! Computer games are fantastic! Many people pretend to be something they are not online.
- Be careful about pop-ups and adverts that say “you have won something!” This is usually a scam.
- Be careful what you click on – such as odd links or attachments. If in doubt, do not open it – delete it. It could be a computer virus. Also, people try to get hold of your details.
- Only message, chat or e-mail people you know or trust in the real world.

Don’t use your real name when using games or websites - create a nickname.

Use passwords. Treat passwords like your toothbrush – don’t share!

Think carefully about where you go online. Use websites recommended by teachers. Not all content is genuine. Content can be unfair or just nasty.

Only use a webcam with people you really know offline. A video can expose you to embarrassment or danger.

Don’t give out personal information about yourself, friends or family online that lets people find out your home address, mobile, the school you go to, etc.

When you are old enough to use social networking sites (usually 13+), know how to set up your profile and location to provide and look for block and report people.

Never arrange to meet an online friend without a trusted adult.

Know the danger signs of someone trying to ‘groom’ you.

Tell an adult you trust immediately if anything makes you worried or unhappy.

If you think it’s serious, report it to CEOP.

Cyberbullying

Unfortunately, people can use technology to bully others. So be aware if your child’s mood changes. If they are being bullied, support them. Follow it up. Keep the evidence. Contact your child’s school for help. Contact the website owner or phone company if necessary. Get advice from an organisation such as BullyingUK or Childline.

Danger signs you should look out for

If your child is:
- Using technology excessively.
- Staying online through the night.
- Being secretive about what they are doing.
- Behaving very differently in what they wear, their attitudes or friends.
- Receiving gifts or money from unknown sources.

These signs may all be perfectly innocent of course, but remember to always talk to your child.

Grooming

Grooming is when someone builds an emotional connection to gain trust for the purposes of sexual abuse or emotional exploitation. Groomers may be other young people who are just a few years older. Young people may do things because they are simply exploring their understanding of the world or because they feel under pressure. Bullying or think everyone else does it. Talk to your child about grooming, grooming, respectful relationships and sex. Get advice from an organisation such as NSPCC or Thinkuknow.

Danger signs your child should know about

Be aware if someone:
- Tries to find out your address or phone number or where you hang out.
- Wants to keep their chats with you secret.
- Shares information, pictures or videos with you and tells you not to tell anyone else about it.
- Sends you pictures or videos which make you feel uncomfortable and you are worried about showing them to anyone else.
- Asks you to send them pictures or videos of yourself or asks you to use a webcam in a way which makes you feel uncomfortable or worried.
- Pays your lots of compliments and offers or gives you gifts.
- Tells you that you will get into trouble if you tell an adult.
SIMPLE WAYS TO FUNDRAISE FOR CORPUS CHRISTI SCHOOL FROM HOME

Thank you for your continued support

- **Your School Lottery**: Play our weekly lottery. Tickets cost £1 each. A Corpus Christi supporter will win a cash prize every week PLUS all tickets are entered into a separate draw to win £25,000 every week.
  
  Visit [www.yourSchoolLottery.co.uk](http://www.yourSchoolLottery.co.uk) & search for Corpus Christi. Invite your family & friends to play too!

- **My Nametags**: Purchase nametags for your child’s uniform & belongings from [www.mynametags.com](http://www.mynametags.com)
  
  24% of each order will be donated back to Corpus Christi School Association for our fundraising.
  
  Enter our school’s unique ID code at checkout - 28584

- **The Giving Machine**: Join The Giving Machine & choose Corpus Christi as one of your causes to support.
  
  Every time you shop at one of over 1500 online retailers via The Giving Machine, you will generate commission which is converted into cash donations paid directly to Corpus Christi School Association.
  
  Visit [www.thegivingmachine.co.uk](http://www.thegivingmachine.co.uk) to sign up & choose Corpus Christi Catholic Primary School

- **Amazon Smile**: Next time you shop on Amazon, do so via [www.smile.amazon.co.uk](http://www.smile.amazon.co.uk). It is the same Amazon site & you use your existing Amazon account but with Amazon Smile, 0.5% of the net purchase price is donated back to the School Association.
  
  Visit [www.smile.amazon.co.uk](http://www.smile.amazon.co.uk) every time you shop & choose Corpus Christi School Association as your charitable organisation of choice.

www.lunchbowl.org
THE SUMMER READING CHALLENGE

You will be pleased to hear that, in spite of the fact that libraries are still not open, this year’s Summer Reading Challenge will be taking place this year. Please find the details below:

Silly Squad, Summer Reading Challenge 2020 is the Reading Agency’s annual scheme run in libraries to keep children aged 4–12 reading over the summer holidays. This year it is a digital version that will run until at least September. Children can sign up for the challenge at:
sillysquad.org.uk

You must create a free account to take part. This is a simple process and requires approval by an adult (via email). The website is a place for children to rate and review their books and work towards their chosen reading goal. It will also feature video content, games, quizzes and digital and downloadable activities to incentivise and encourage children and their families to take part in the Challenge at home. This year’s theme makes it all about funny books, happiness and things that make us laugh.

Though our physical library buildings are not open at the moment, your library card gives free access to large collections of eBooks and eAudio books, for example on OverDrive:
https://llc.overdrive.com/library/youth/

Use the below link to access all collections, and if you don’t already have library membership you can join and access the resources straight away:
https://llc.ent.sirsidynix.net.uk/client/en_GB/kingston

For more information about how you can share a story with the rest of your class, please visit the school website on Monday.
GREAT NEWS!
ONLINE AVAILABLE NOW
AND
STORES RE-OPENING
29th JUNE

WAYS TO BUY UNIFORM THIS SUMMER

**In Store**
**BY APPOINTMENT ONLY**

Book appointments online at [www.pmgschoolwear.co.uk](http://www.pmgschoolwear.co.uk)

Government Guidelines state that we must limit the number of people in our stores at any one time.

To avoid queues we will only accept people into the stores with appointments.

This includes Refunds and Exchanges.

In order to ensure your shopping experience is as smooth and safe as possible and is Covid Compliant.

We have:
- Installed Hand Sanitisers
- Supplied PPE for staff and customers
- Taken social distancing measures

We ask you to:
- Attend 1 Parent with 1 child only
- Pay by Credit/Debit Card
- Book Early as appointment slots are limited
- Wear a face covering if possible

**Online**
**AVAILABLE NOW**

[www.pmgschoolwear.co.uk](http://www.pmgschoolwear.co.uk)

All items for your schools

Blazers, Jumpers, Shirts & Blouses, Trousers and Skirts, PE Kits, Stationery, Lunch Boxes, Bottles, Back Packs, Gum Shields

Everything you could need all in one place.

- **We strongly recommend ordering online this year**
- We are anticipating a huge online demand and post is taking longer than usual so don’t leave it too late
- Our cut off date is August 14th. After that date uniform may not be in time for the new term
- To reduce visitors to the stores this year there will be no click and collect facility

BOOK EARLY, BUY EARLY – AVOID DISAPPOINTMENT

As you can imagine phone lines are going to be tremendously busy so if you need to contact us we recommend by email. Each store’s details are on our website or alternatively email customerservices@pmgretail.co.uk and they will pass your query on to the relevant store.
Summer Holiday Sports Camps 2020 at
Corpus Christi Catholic Primary School.

Football
What we offer:
F.A. qualified and CRB checked coaches.
Football skills coaching and mini tournaments.
A safe and friendly environment.
Medals and trophies awarded.
Opportunities to improve as a player.
Week 1 - Monday 20/7 - Friday 24/7 9:30 - 3:30pm

Dear Parents,

This Summer, 'Wilson Academy of Performing Arts' will be offering a two-week Musical Theatre Summer Workshop to help support 'Corpus' parents during the first 2 weeks of the holidays. Children also will have the opportunity to interact and have fun with their peers before they start school again in September.

Dates:
Week 1 – Monday 20th July – Friday 24th July
Week 2 – Monday 27th July – Friday 31st July

You can attend either 1 week or 2, both, or individual days.

'Social distancing permitting' I would be looking towards sharing the children’s work with their families on each Friday afternoon.

Time: 9.30am-3.30pm

Venue: Corpus Christi School

What will the day involve?
Staff teaching during the summer school will be WA qualified
Dance teachers supported by alumni WA Students. The day will be split into ‘age appropriate lessons’ with students taking part in various scenes, songs and dances based around West End/Broadway musicals. For example; Matilda, Wicked, Mamma Mia, Grease, Bugsy Malone etc.

Who is the Summer school suitable for?
This is a wonderful opportunity for children who love to Sing, Dance and Act and is open to all Corpus Christi children from Year R to Year 6. Perhaps your child has never attended Musical Theatre/Drama or dance lessons before and would just like to try classes for a week… then this is definitely for you.

It goes without saying that I would also welcome any current WA children to the summer classes too.

How much will the Week/Day cost?
£100 per child per week or £25 per day. Siblings cost will be £80 or £20 per day.

Please pay the full amount on the first day your child attends by either cash in a named envelope or cheque payable to 'Miss S Wilson'.

This cost covers hiring of the premises and staff. Children will need to provide their own lunch, snack and drinks.

What should I bring to the Summer Workshop?
Please can your child come in suitable clothing that they move including trainers/dance shoes. They will need water, a snack and a packed lunch.

Bubbles/hubs for groups
Working alongside the school’s current guidelines/risk assessments, we would make sure that the children remained in their ‘hub’ for the whole day with teachers rotating to teach each group.

Wrap around care
Mr M our football coach at Corpus, will also be providing a football summer camp for the first 2 weeks of the summer holidays. He will also be providing further ‘wrap around care’ before and after the summer schools from 8.30-9.30am and 3.30-4.30pm. This will incur a further £10 cost and can be paid to Mr M directly.

What should I do next?
If you would like your child to be definitely included in this event please could you now fill in the Google form below and send back via the school office by 4pm on Monday the 29th of June.

https://docs.google.com/forms/d/e/1FAIpQLScG8V0a2Zc_Ty2gZI_J0J5dwydo03Bixa-pbY8qOEvz9Qw/viewform

I am passionate about the arts and firmly believe that they have a prominent part to play in Children’s lives, never more so than in the times we are currently living in. Skills learnt whilst participating in ‘Performing Arts’ promote confidence, a sense of wellbeing and social connection and give young minds a chance to expressively explore endless possibilities.

I hope that you will be able to join myself and my WA team for a great 2-week MT extravaganza. If you have any questions about the summer school prior to filling in the form please email me at swils7.314@lgbmail.org
