Dear Parents and Carers,

Cook Class would like to extend a warm invitation to all grandparents to join us for an afternoon of gardening this Friday 13th May, starting at 1.30pm and finishing at 3.15pm. We are keen to get our raised beds weeded in preparation for planting vegetables, and we need some muscle and green fingers to help us! If you have either of these, both, or even neither, and would like to help us, please return the reply slip below to Miss Bannister or Mrs Denton by Thursday 12th May. Remember to bring a hat, sun cream, wellies and a coat to cover for all eventualities with the Great British weather! We would love to see you.

Kind regards

Miss Bannister and Mrs Denton
Cook Class
