Dear Parents/Carers of Year 6 Pupils

Re: Brockington College Open Mornings and Evening

I would like to invite you and your child to visit Brockington College, as you prepare to apply for a secondary school place.

We will be holding a series of Open Mornings where the college will be open to visitors during our working day, as detailed below. I would urge you to visit with your child on the designated day for their primary school, as their current school is aware of the date and the Headteacher has allowed the visit to take place during the school day. Pupils will return to their school by mid-morning.

We will also be holding our annual Open Evening on Wednesday 27th September 2017 from 6.00pm to 8.00pm. This will not only give you and your child a further opportunity to view the college, but also to see displays and activities and to speak to teachers and support staff, who will provide information about the college and answer any questions that you may have. I will also be leading a series of presentations about life at Brockington College and our ethos.

The college prospectus is available on our website, which I hope will give you a feel for the college prior to your visit. Paper copies of the prospectus will also be available at Open Evening.

We look forward to welcoming you to Brockington College shortly, but if you have any questions or requests prior to your visit, please contact the college and we will do our best to help.

Yours sincerely

Mr Chris Southall
Principal
