Dear Parents and Carers,

Cook Class would like to extend a warm invitation to all grandparents to join us for a morning of gardening on Wednesday 9th May, starting at 9.00am and finishing at 10.45am. We are planning on weeding the prayer garden, and we need some muscle and green fingers to help us! If you have either of these, both, or even neither, and would like to help us, please reply to reply2@croft.leics.sch.uk by Tuesday 8th May. Remember to bring a hat, sun cream, wellies and a coat to cover for all eventualities that the Great British weather brings! We would love to see you.

Kind regards

Cook Class team
