Monday 1st April

Dear Parents and carers,

Parents' evenings

At Croft Church of England Primary School, we would like to promote parent and child consultations instead of traditional parents' evenings.

This means that rather than just parents and teachers discussing children, each child can hear what has to be said about his/her development and academic progress as well as add their own comments.

The idea behind this is that a three way discussion between parents, teachers and children will be the most powerful way of helping children and informing parents of their present attainment level and what each child's next steps in learning are. You will also have the opportunity to look at your child's recorded work and how you can support your child at home to meet their targets for the end of this academic year.

However, if you do not want your child to be present for some or all of the meeting, please could you indicate on the return slip.

A paper copy of the parents' evening request slip will be sent home with your child today.

We look forward to meeting with you.

Yours sincerely,

Mrs Colotto
Headteacher
