Christmas Decorations’ Day

Grandparents, carers, mums and dads of children in Year 1 to Year 6

Join your child to make Christmas decorations for classrooms. Each class will have a variety of decorations to make, which will need adult supervision. Staff at Croft will have everything ready for the day—all you need to do is turn up and have fun with a small group of children, making decorations! Morning, afternoon or whole day—it’s your choice. If you decide to stay for the day you are welcome to bring a packed lunch so that you can eat with your child.

Name of child……………………………………………..

I can join my child to make decorations on Monday 276th November
