Dear parents and carers,

As our next topic is entitled Frozen, I would like to cordially invite all the children to the trip of a lifetime on the RMS Titanic! As you know, the Titanic is the world's largest ship afloat today, and is the pinnacle of comfort and luxury, with an on-board gymnasium, swimming pool, libraries, high-class restaurants and opulent cabins. We will be departing from Southampton on our first day back, Tuesday 9th January, calling in at Cherbourg and Queenstown before reaching our destination - New York - in a scheduled seven days time. Don't worry, we will write to you when we get there!

I would love for the children to dress as Edwardian children for the journey. They could be rich or poor, sailors or passengers; shorts and long socks with V-necked jumpers, flat caps, top hats, Princess dresses or pinafores and aprons - don't overthink it, and don't spend your cash! The idea is just to engage the children in this fascinating topic.

I have enclosed a ticket for the voyage. Do please remember to come and wave us off from the docks!

Thank you for your support.
Miss Bannister and the Cook Class team.
