07.10.16

Dear parents and carers,

As you are probably aware, we have started our daily phonics sessions in Cook Class. Very few of us remember how we ourselves learnt to read and write, and so we may find phonics, and all the terminology that comes with it, rather daunting. You are therefore invited to our ‘Phonics for Parents’ session on Monday 10th October at 2.30pm in the hall. The aims are:

- To increase parent/carer confidence and understanding of the teaching of phonics
- To become more aware of how children learn phonics in school
- To share ways that support can be offered at home that reflect the ways we teach phonics in school.

The session will finish at 3.15pm, in time for you to collect your child from class.

Then on Tuesday 11th October, you are invited to stay to participate with our daily phonics session. Be prepared for a fun, interactive session!

We look forward to seeing you.

The Early Years Team
