Croft CE Primary School

Monday 27th November, 2018
Christmas Decorations’ Day

Grandparents, carers, mums and dads of children in Pre-school and Foundation Stage

Join your child to make Christmas decorations for pre-school and class. We will have a variety of decorations to make, which will need adult supervision. Staff at Croft will have everything ready for the day—all you need to do is turn up and have fun with a small group of children, making decorations! Pre-school and Foundation stage will be making in the morning. You are welcome to bring a packed lunch so that you can eat with your child.

If your child does not normally attend pre-school on a Monday you are still welcome to join the fun, but you need to remain with your child throughout the session.

Name of child: ............................................................
