RUNNER-UP IN THIS YEAR’S UK PEOPLE’S BOOK PRIZE

BLURB

The year is 1870. Major Tor, a mercenary and deadly sniper, is called from battle to stop Locust, a SWARM assassin who is plotting to murder the King of Sweden.

From the rubble and watery craters of France to the shadowy corridors of Stockholm’s old castle, Tor must discover who the assassin is and put a stop to his, or her plan to throw a country into a barbaric and bloody war.

Accompany him if you dare into a world of bayonets and bullets, where the enemy’s sword is forever chasing your shadow.

But remember this, when you hunt assassins...

...trust nobody.

TOR ASSASSIN HUNTER is the first book in the TOR TRILOGY, the turbulent story of a Swedish mercenary infested by the spirit of Skufsi Tennur, the most sinister, most unholy werewolf of the Hamrammr tribe.

TOR Assassin Hunter is up there with Harry Potter. A wonderful book!

‘A jaw-dropping, cracker of a book.’ ECLIPSE

BLURB

My body is not the body I had before I travelled to China. Teeth now crowd my jaw, I can spot deer in the wood from half a mile away, and to me, the tiny feet of mice no longer patter, they boom like trampling elephants.

I am changing.

A volcano of fury is stirring, trapped only by the thinnest crust of skin and willpower.

The spirit of the hamramr is in my blood…

EVIL BECKONS

THE GULLFOSS LEGENDS  *For 8 - 10 yr olds

184pp, paperback, fully illustrated.

Usual price £8.95, discounted to school students who attend literacy workshops, only £6.95

BLURB

Over a century ago, a twelve year old girl walked 120 kms to Reykjavik to persuade the King to help her. Her journey lasted two weeks; two weeks of wild snow storms, skin-blasting winds and deadly clouds of volcanic ash.

This is her story.

The British plan to put a dam on Gullfoss, a magnificent waterfall in Iceland, but Sigríður plans to stop them. Setting off to see the King, she must face scalding pools of hot mud, a scary wolf-man and the most evil of assassins, the ruthless Scarecrow, who must stop her at all costs.

Based on the Gullfoss Legends, this is a story for anybody who has battled but refused to give up.

Usual price £12.95, discounted to schools £8.95

THE BLURB
My name is Simon Spittle and I think - no, I know, I murdered Miss Belcher. I don’t carry a gun. Or a knife. Or even a toothpick, but yesterday, in French, I wished for her to be run over by a bus and, later that very day, she was. A big, red double-decker with yellow wheels and a picture of a clown on the bonnet. A Billy Smart’s Circus bus.

TIFFANY SPARROW

*For 8 - 12 yr olds

200pp, paperback.

Usual price £12.95, discounted to schools £8.95

THE BLURB
My name is Tiffany Sparrow and my job is to slay spooks. It can be messy work, but I enjoy it. Mostly. I get to do a lot of travelling which is fun, but often just to crumbling tombs and spidery cellars. My mum was a slayer too; and so was my grandmother. I miss them terribly. They were killed, you see, by Grimdorf the warlock, so now there’s only me and my old grandad left. But the word on Voodoo Street is...Grimdorf’s back. And he’s brought a few of his pals with him.

‘Wonderful penmanship.’
