<th>Learning Project - to be done throughout the week</th>
</tr>
</thead>
<tbody>
<tr>
<td>This project this week aims to provide opportunities for your child to learn more about celebrations. Learning may focus and different types of celebrations that take place and who may celebrate them. It could look at how people celebrate different events differently in other parts of the world.</td>
</tr>
</tbody>
</table>

**Let's Wonder:**
Birthdays are celebrated differently in different countries. Find out how birthdays are celebrated in the following countries: China, England, Spain, Italy and Mexico. Ask your child which country would they like to celebrate their birthday based on their findings? Why?

**Let's Create:**
Can they imagine their perfect celebration outfit? What would it look like? What would it be made from? How comfortable would it need to be? Ask them to design a costume for a celebration of their choice. Think about the patterns they would like to on their design and the cultural traditions.

**Be Active:**
Go Noodle [https://www.youtube.com/user/GoNoodleGames](https://www.youtube.com/user/GoNoodleGames) with the family or have a family workout. Fancy a dance? There are lots of dance videos they could try. Dance [https://www.youtube.com/watch?v=8-9Sm6_yE98](https://www.youtube.com/watch?v=8-9Sm6_yE98). Maybe try some Yoga [https://www.youtube.com/watch?v=R-BS87NTV5I&vl=en](https://www.youtube.com/watch?v=R-BS87NTV5I&vl=en).
Recommendation at least 2 hours of exercise a week.

**Time to Talk:**
It's time to plan a celebration event of their choice. This could be a birthday party, an Eid celebration, an Easter hunt or anything else they wish to plan. They have £150 to spend and 25 guests will be attending. What will the money be spent on? Ask them to plan the celebration thinking about the location of the event, how they will decorate the venue, what their guests will eat and drink and how they will entertain their guests.

**Understanding Others and Appreciating Differences:**
Select a holiday/festival of their choice and research how different countries around the world celebrate this event. They could compare whether it is celebrated at the same time, the outfits people wear, the food
eaten etc. Make a video, poster or report of the things they have discovered.

- **Reflect:**
  In Great Britain, Valentine’s Day, St Patrick’s Day and Bonfire Night are just some of the celebrations that take place. Ask your child to choose one celebration day and research how the celebration came to be. Create a poster advertising the celebration day.
