Stay and Play

Stay and Play is the opportunity to play, create, have fun and get messy with your children without resulting in a creatively decorated home.

The crafts and activities will all be provided and you just need to come along and have fun together and with other families.

Tea/coffee will be available and I encourage you to bring a snack for yourselves or to share with the group. I will provide the snack for the first session.

Example activities are: playdough making, painting, cornflour, glitter craft, junk modelling, colouring, lego, barbies, smallworld, trainsets, happyland, loomband making, shaving foam, water, sand etc.

Stay and play is available for children and their family members (adult and younger siblings) in Ruby, Opal and Topaz classes.

Please let the office know if you are interested in attending.

Kind regards,

Mrs Cooke
