9th November 2017

Dear Opal Class Parents/Carers

Re: Opal Class at Forest School, Lingfield Notre Dame - Wednesday 15th November 2017

As part of our working relationship with Lingfield College, we have been offered a wonderful opportunity to visit their Forest School. This will take place on Wednesday 15th November for a morning session only.

Lingfield College will be providing mini buses to take and bring us back so please bring your child to school at normal time, we will be back in school at around 11.30am.

The children need to be dressed in warm, waterproof clothing, with hats and wearing comfortable and suitable footwear. They must wear long sleeved tops and long trousers/leggings tucked into socks. Please send their school uniform in a bag to leave at school so they can have warm, dry clothes to change into when they get back.

Five members of staff will be accompanying the children for the morning. The session itself will be run by the Forest School Leader at Lingfield College.

Should the forecast predict a morning of non-stop rain, then we will postpone for another day. We will alert parents via the Opal class page by 7.30am. There is no cost to parents for this trip.

I am sure you will agree that in preparation for next year, this is a lovely opportunity for the children to have a taster of Forest Schools and we hope to post some photos of their activities afterwards, for you to see.

For now, please could we ask you to return the enclosed slip as soon as possible.

Regards,

Faye Davies
Dormansland Primary School

Enc
I give permission for my child to go to Lingfield College Infant School on Wednesday 15th November for a Forest School session and to return by a LC mini bus.

Child's name

I will be dropping off my child myself/my child will be arriving with

Name of Adult

Parent signature

Lingfield College may take some photographs whilst we are there. If you would not like your child to be included, please advise here:

I do not wish (name of child) to be included in any photographs taken by Lingfield College.
