Dear Parents,

**Growth Mindset Workshop: Tuesday 25th April, 7.00-8.30pm**

On **Tuesday 25th April at 7pm**, we will be holding an evening workshop for all parents on the principles of having a growth mindset and how this impacts on the children’s learning. Parents will have the chance to see how this principle works in our everyday practice across the school, as well as gaining some practical ideas about how you can support your child’s developing growth mindset at home.

The session will run from 7pm to 8.30pm. Wine, soft drinks and nibbles will be available.

This promises to be a lively and informative evening and we look forward to seeing as many of you there as possible.

If you are interested in attending, please return the slip below by **Friday 21st April**.

Yours sincerely,

Sarah Stokes
