Dear parents of Amethyst Class,

Next Monday 1\textsuperscript{st} February I’m asking, if it is possible, for children to bring in a bicycle. This supports our transport topic. Children do not have to bring in a bicycle. If they do, they will need to have a helmet, and be able to ride it reasonably well. We will only ride our bikes on the school playground. If a bicycle is not a possibility, a scooter could be brought in.

During Science week, I would be grateful of a little help on the Tuesday February 9\textsuperscript{th}, in the morning at about 11am when we will be looking into owl pellets and trying to identify bones we find. (Two extra adults would be plenty.) Do let me know if you’d like to help, then I can get back to you to make final arrangements.

Many Thanks,

M. Pritchard

I would like to help in Amethyst class with owl pellets on Tuesday February 9\textsuperscript{th} at 11 am.
