06th November 2019

Dear Parents

Re: Visits to Greathed Manor, Dormansland

We have been invited to take part in a new collaboration with Greathed Manor, which will involve regular sessions between a small group of children at Dormansland and some of the residents at Greathed Manor.

Research has shown that developing relationships between the elderly and the young can be hugely beneficial for the wellbeing of both parties.

The sessions will take place on a Monday morning from 11am for 1 hour and will run for four weeks. The first session will be on Monday 11th November. The children will be supervised by two adults during the session and invited to bring along a book to share or a favourite toy/project to talk about. Transport will be arranged via staff cars.

If you are happy for your child to take part in the sessions then please would you complete and return the attached form. Please return as soon as possible.

Yours sincerely,

Mrs Seltzer and Mrs Stokes
