It’s carnival time again!

This year the theme is Around the World and Dormansland Primary School will be taking part in the carnival parade with our float ‘It’s a Small World’.

We will be celebrating diversity and the many different nationalities we have in the school community with flags from around the world, traditional dress and music etc.

We would love to have as many children as possible take part in the school float, especially some willing year 4, 5 or 6 children who would help the littler ones! We will meet on the New Farthingdale green at 12.30pm ready for the procession to leave at 1pm. If your child would like to take part in the carnival parade for the school, please let us know asap by returning the below form to the school office or emailing pta@dormansland.surrey.sch.uk. We also need some parents to walk with us to help get everyone round safely!

We will provide some costume props on the day. If your child would like to represent a particular country, just let us know! Please could children wear their own traditional dress if they have one, football or sports tops supporting different countries, any t-shirts with country names etc on, or any brightly coloured/striped tops!
