Thank you all so much for all the jolly-licious jars last week. Last count was around 185 jars!

For this week's second and final Christmas Challenge, we would be grateful for donations of gift items for our Secret Santa room. This is where the children can choose and wrap a present to give to a loved one on Christmas Day. We would love to receive donations of suitable gifts for men and women, such as:

- Unopened toiletries like bubble bath, perfume, pretty soaps etc.
- Chocolates, sweets and Christmas treats.
- Household goodies such as candles, photo frames, Christmas mugs.
- Bottles of wine, beer etc.
- Anything else appropriate!

Each class will have a box to put their donation(s) in as we did for the jolly jars. The PTA will count up the donations and give the children their baubles for the Challenge trees. The class with the most baubles will win a class prize!
