Spring term update…..

Dear Parents

World Book Day was celebrating its twentieth year this year and Dormansland certainly didn’t let this anniversary pass by without some considerable fuss! Miss Carter took the lead with some fantastic events on the day, including teaching us all the World Book Day song, story telling in every classroom, extreme reading pictures, and, of course, everyone’s fantastic costumes. I was put in charge of ringing the DEAR bell (Drop Everything And Read!) at timely intervals throughout the day, and a strange gorilla kept turning up in the most unexpected of places. If you haven’t seen them already, you can find some fabulous photos of the day on the school website, under ‘Latest News.’

Above all the fun and hilarity, the children were reminded about the imagination and exhilaration that can be found in a good book.

Fairtrade Fortnight has been a huge success this term, with everyone taking part with enthusiasm in a range of activities and events. The children learned about the origins of some familiar foods and how much the production and transportation of these items to the UK costs. They showed a clear understanding of how the work of Fairtrade helps the farmers to receive more from this process and their banana plant display in the corridor is wonderful.

Year 6 arrived home from a highly successful week’s residential trip at Windmill Hill. Many thanks to Mr Cook, Mrs Davies and Mrs Eaton for giving up their week to support the children.

Our themes for reflection this term have included the following:

- It’s good to be me
- I know what I’m good at
- I concentrate hard when I should
- I can do more for myself
- Getting on and falling out
- Understanding others in a range of relationships
- Dealing with disappointment

The School Council gave a wonderful presentation to the whole school about the work of the East Grinstead foodbank, following their visit to the bank in December. They invited the manager, Tony Fox, who was delighted to attend. Dormansland has subsequently become a referral point for the foodbank.

A letter came home this week, outlining the Governors’ decision to formalise our already successful partnership with Temple Grove Academy Trust. I was delighted to be able to meet and talk with those of you who came to our Q&A sessions this week, and hope that you found that these provided further answers to your initial questions and concerns. Thank you, also, to those of you who have contacted me by email. We will continue to keep you updated with the process as it unfolds, and there will be a formal consultation with parents during the summer term, in which we hope that you will all engage.

This process of conversion and the misinformation that can gather around the word ‘academy’ have the potential to be extremely unsettling for our school community over the coming months, if not handled with a degree of sensitivity from all stakeholders. While I encourage you all to do your own research and to come back to me with as many questions as you may have at any time, I would ask that you refrain from using Facebook or WhatsApp class groups to air any kind of grievance. It has already been brought to my attention that the rumour mills are at work on Facebook in one year group, and it troubles me greatly that this misinformation may cloud the judgement of other people who feel that they know less about the process and our decision for pursuing it. Worst of all, unless someone brings this to my attention directly, as has happened in this particular case, it does not afford me the opportunity to respond. Please consider this when raising your own questions about the school’s future. My door is always open and we need to feel confident that this is a decision that we reach together as a school community.

We continue to support our colleagues in schools across the country by urging the Government to reconsider their new national funding formula for education. I have lobbied our local MP on this matter, and you will see from the Parent Forum minutes from this week’s meeting that parents are keen to support the campaign to ensure that this pressure on central Government continues. There will be a letter produced early next term to express our shared concerns, and we hope that as many of you as possible will be happy to sign this on behalf of your child’s class, the school and the future of education in this country.

Finally, may I take this opportunity to wish you all a very happy, fun-filled Easter fortnight and I look forward to welcoming the children back to school on Tuesday 18th April.

Sarah Stokes
Congratulations to Mrs Miller and Miss May on achieving our first Space Education Quality Mark, provided by the National STEM Learning Network. This is the largest provider of STEM (Science, Technology, Engineering & Maths) education support to schools, colleges and other groups working with young people across the UK. Supported by a unique partnership of Government, charitable trusts and employers, the Network is dedicated to raising young people’s engagement and achievement in STEM, and increasing the numbers of young people progressing in STEM studies and into STEM-related careers.

A huge thank you to Lingfield Notre Dame, soon to be Lingfield College, who are now working in partnership with us here at Dormansland, starting with a mini bus and driver, to help with our morning trip to Ashdown Forest each week.

LND will also be giving us access to their sports facilities in the Summer and helping us to extend our enrichment learning opportunities, which will include food technology lessons, forest schools for our early years and Y5 taster sessions.

Dormansland In the Woods

As we approach the warmer months of the year and although it will be tempting to send your children off in shorts and a t-shirt, as they will be out all day and in all terrains, please ensure that they have covered legs i.e. long trousers / leggings that can be tucked into their footwear and long sleeved t-shirts.

It is still necessary to pack a plastic bag and waterproofs, if the weather dictates, but on sunny days a hat and sun cream are a must. Thank you.

We would like to put together a box of spare clothes, to take to the forest each week and to help with any children who get wet very early on, but without a change of clothes.

If you have any unwanted waterproof clothing and trousers or joggers for older children, please would you drop them off at the school office.

A date for your diary…

We will be holding a Growth Mindset Workshop for parents, at 7pm on Tuesday 25th April. Further details and how to book a place will be coming to you after Easter.

Police Message:

We know that many children are using social media when ‘officially’ they are too young to sign up to the sites. Lots of them say that Mums and Dads have signed them up. There’s nothing illegal in that, but please keep in mind that if you sign your 8 year old up to Facebook now saying they are 13, in five years they will appear as an 18 year old on the site. If an adult tries to groom your then 13 year old via social media, they will be able to argue that they thought they were talking to another adult.

Remember to update your child’s details, check their privacy settings, and talk to them about which pictures they use for their profile, so they’re safe online. Thank you.

The NSPCC (click link) offers guidance on how to set up parental controls, to:

• plan when your child can go online and how long for
• stop them from downloading apps they’re too young for
• manage the content different members of the family can see.
Cricket after school club

George Jarrett (and quite often Andrew Grant) from Dormansland Cricket Club will again be running coaching sessions for a junior group of boys and girls at the school from Tuesday April 25 through to the end of the summer term.

It is hoped that an older group from the school will be assembled for attending coaching on Thursday afternoons at the Cricket Club in Station road, where the ground is flatter and the facilities are purpose enabled. This arrangement was very successful in 2015.

On the first day of the summer term (April 18) the cricket club will be holding a Junior Open Evening (6.30pm onwards), to which all parents and children are invited for a 'Cricket Tea'. The ambitions behind this event are to attract more juniors to free coaching sessions on Tuesday evenings, and to show off the club facilities.

The event will be hosted by Club Chairman Jim Blair and the coaching team. For more information call the club secretary John Henley via john_henley@hotmail.co.uk or 07791 584656, or George Jarrett via 01342 834650.

School Garden

Work will be starting over the Easter Holidays. Thank you to the parents and staff, who have come forward to assist with this really exciting project and a special thanks to Steve Edwards of SJE Gardening & Landscaping and Brian Babb of BJ Babb for giving up their time and resources to help us. More on their involvement soon. In the meantime, just look at the Bug Hotel that Theo has made for the garden. Thank you Theo!

Mindfulness & Meditation for both parents and children.

Ann will be starting her sessions on a Friday morning, after Easter, but it is not too late to sign up!

The sessions will take place between 8am-8.40am and are £30 for an adult and child per six week course, £6 for an additional child.

For more information about the course itself, please feel free to call Ann on 01342 837867 / 0787 946 1252, or you can book a place via the school office. Ann’s email is:

ann.fraser@outlook.com

Fundraising

Mrs Wood is selling tickets to win her handmade crochet blanket. If you would like to buy one, they are £2 each and can be purchased via the school office. The winning ticket will be drawn at the May Fair on Saturday 20th May. All proceeds will go directly to Marie Curie, but if you would like to support her Sahara trek, then you can reach the Just Giving Page via:

http://bit.ly/2kEjXBi

School Uniform

A gentle reminder for KS2, that school uniform should be worn every day, including sensible school shoes. For girls - hair longer than a bob needs to be tied back, during the course of the whole school day.

Staff News

Sadly, we are saying goodbye to Sarah Edmead, who is leaving us this week, to pursue a new career. We wish Sarah the very best of luck in her job.

Looking for a new venue for a birthday party or celebration?

The school hall is available for hire. Please contact Mrs Blyde at the school office for further details:

admin@dormansland.surrey.sch.uk
Good To Be Green

We were recently asked at our Parent Forum to put a piece in the newsletter, about our ‘Good to be Green’ scheme. This is a traffic light scheme, used during the course of the school day, to encourage focus and good choices in lesson times, with a weekly and termly reward for those children, who always stay on green.

If children stay on green for the whole week, they are rewarded with fifteen minutes of golden time on a Friday afternoon. If they are not on green for the whole week and unless this includes going on red, they still receive golden time, just not the full amount.

Children staying on green for the whole half term, receive a special treat, which in the past has included a movie and popcorn, a board games session, drama workshop, arts and crafts sessions, including cookery and a ‘wheelee’ afternoon. This term, the children were treated to a magic show on Monday afternoon.

We are very proud here at Dormansland to have children who are not frightened to give something new a go and run a club by themselves. If your child was one of them this term, then please tell them that we really appreciate their efforts.

Our new Junior Librarian software has been installed and we will be going live with the new features after Easter and a special assembly to show the children what they can now do.

If you still have any spare books belonging to the library that are no longer being read, please return them asap. We really don’t mind how long you have had them, but we need to add them to our catalogue, so that we are completely up to date and the children can start to expand on their reading choices.

East Grinstead Food Bank

Following on from Year 6’s trip to the EG Food Bank at Christmas and prior to half term, the children involved talked about their visit in a special whole school assembly. We are delighted to let parents know that we are now working with the Food Bank to continue our support of their services.

Just a reminder that you do not need to pre book a morning space at breakfast club with Premier Sports. You can just rock up by the back door for an 8am start (not before please) and pay Mrs Lowe when you are next passing the school office. Cost is £3.50 per day.

We will shortly be installing a letterbox inside the school, by the staff car park entrance, for parents to drop in any letters or payments for the school office. Please mark the envelope clearly with details of what is inside!

Thank you…. to Ivy Florence, a relatively new florist to the area and situated just off St Piers Lane at Carewell Farm.

Owned and run by Jenna, she has very kindly donated a bouquet for our PTA Special Someone Surprise.

If you get the chance to have a look, Jenna’s website is: http://www.ivyflorence.co.uk

Or better still, pop in and see her on your way in or out of Dormansland.
Parent Consultations

92% of our children's parents attended parents' evening this week or are booked in for an appointment with their teacher before the Easter Holidays.

Thank you for working so hard with us to support your children's learning.

Message from the Drum Teacher: I am happy to accept new pupils for the Summer term and anyone who wants to try out, please speak to the school office, who will arrange it for you.

Calling Year 5 Parents

We are in need of a new class and PTA representative for Y5. Would anyone like to get involved and come to our Parent Forum Meetings? Please leave your details with the school office.

Marvellous Me App

Parents - please keep an eye out for something new and terribly exciting, after Easter from Mrs Stokes, which will enable her to tell you, via a new App, how marvellously your children are doing.

STOP PRESS!

We have a Tri-Athlete coming into school after Easter to give a special assembly to the children.

Details to follow soon.

Parent Questionnaire

Thank you for taking the time to fill out our forms this week. The results are in; blocks of blue shows us your first preference for comms, with Scopay a winner. Green tells us what you always read and yellow the ones that some of you don't.

We will use this information when reviewing our communication systems for September.

Studybugs App

If you have not been able to do it, please don't forget to sign up for the Studybugs App:

Letter from Zoe Cogan, School Governor

When I first became a parent governor I was regularly asked the question, ‘so what do you actually do as a governor?’

It’s a fair question and one that I thought might be worth answering briefly in this term’s newsletter.

The Governing Body of Dormansland School – and indeed any school is there to serve three core functions.

- Provide support in the setting the strategic direction for the school
- Create robust accountability; and
- Ensure the best use of financial resources

Let me provide a bit more detail here.

What this means in practice is that we, as governors, support Sarah and her excellent Leadership Team in setting the strategic direction for the school. An example of this would be discussing and answering difficult questions like "Where do we stand on the national academy agenda and what is the best solution for Dormansland?"

It’s not just the bigger questions we look at. We are also responsible for ensuring that we challenge and hold the leaders to account for the day-to-day running of the school. Looking at areas such as teaching, achievement, behaviour and safety. To do this, we undertake monitoring visits and are provided with a lot of anonymised data about things like progression of reading, writing and maths across year groups. We look for patterns in that data and challenge where we want to understand more.

Finally, and by no means least, we need to ensure that the school is making the best possible use of financial resources and again we are provided with further information to do this.

I hope that this is useful and if you’d like to learn more then please do get in touch.

Ultimately our aim is to provide the right balance of support and challenge to ensure that our lovely school continues to thrive long into the future.

Zoe Cogan
Parent Governor

Other Governance News

We said goodbye to Trevor Smeaton this term, as he stood down as Chair of the Governing Body. Trevor showed huge commitment to this role, and the Governors and senior school staff would like to thank him for his enthusiasm during his term of office.

Angela Winsor has been voted as the new Chair of Governors, along with Judith Smith and Liz James as our new team of co-Vice Chairs. Judith and Liz will remain as Chairs of the Children and Learning, and Resources Committees, respectively.

In addition, we have welcomed two new governors to our Governing Body: Lucy Whitehead (parent of Primrose in Topaz Class) joins the team as a Parent Governor and Matt Smith (parent of Isaac Smith in Opal Class) also joins us as our new Co-opted Governor. We look forward to many fruitful years of working with them all.
The Dormansland Primary School Parent Forum

We will be having our last Parent Forum meeting of the school year on Wednesday 14th June, in the evening at school. Why not come and join us?

PTA Update

Roll up, Roll up for all the fun of the May Fair!

This year we are adopting a traditional themed fair, with something for all the family.

Bring friends along to share in the talents of our students who will be providing an afternoon of entertainment showcasing their skills on our centre stage. From judo to dance, songs from the choir and of course the dancing around the Maypole, it’s an afternoon not to be missed.

In addition we have performances from local community groups, a variety of stall sellers, real life rescue animals from the nearby Wildlife A&E, and all the fun and games of the fair, with pocket money stalls, Beat the goalie, pony rides and wet sponge target practice on the teachers. Try your hand at the coconut shy, the skittle alley, and then enjoy the range of refreshments available, while little ones relish chill out time on the ride on trikes.

Prizes in our raffle currently include; Lingfield Racecourse tickets, Chartham Park pass, Godstone Farm pass, a golf bag and meals out at local restaurants including Pizza Express and our village pubs.

Come rain or shining sun there’s something for everyone. So make sure you save the date 20th May 1-4pm….. be there, or miss all the fun of Dormansland School May Fair !!

If you would like to volunteer some time to help assist our friendly team, or have prizes to donate towards our Raffle, please don’t hesitate to contact the Year 3 PTA reps; Catherine, Louise or Ali, either via the school office PTA box or email pta@dormansland.surrey.sch.uk
In year one, we have been learning all about the forest. We visited the Ashdown forest, and then wrote our own acrostic poems. We wrote the word forest down the page and then thought of words and sentences to describe the ‘forest’.

Here are some of our poems:

Flowers are growing in the forest near the big oak tree.
One day we made lovely birds nests.
Running around Ashdown Forest.
Everybody had fun.
Someone went to the Ashdown Forest.
Trees are growing everywhere and everyday.

Flowers are growing.
Owls
Robins
Everyone had fun.
See animals
Trees

Flowers are growing in spring in the forest.
One time I fell over.
Run, I ran from my teacher.
Everyone had fun.
Sing a song.
Time for lunch.

Flowers grow in beautiful plants.
On forest day we made big birds nests.
Running around the forest.
Everyone in the forest had fun.
Someone walked off.
Trees were still growing.
Dear Mrs Stokes,

I thought I would write to you with regards to the year 5/6 Tag rugby tournament held tonight at Oxted County School.
Being a rugby coach myself for under 11s and under 9s I thought it would be helpful to give Mrs Newns some assistance.
Here's a quick match report should you wish to tell the children:

The first game started against a strong and obviously well rehearsed team. Dormansland were a little slow to start, having not all played together but soon got into the swing of things returning trys when they had the ball.
The opposition, try as they might, kept attacking but they found it hard to get past our team as we pulled tag after tag. Alas the game ended in a defeat for Dormansland by 1 try. I'm sure if the game had gone on for a little longer we would have taken the game with ease.
From the loss there was no defeatist attitude. The children acted with dignity and had soon decided amongst them that this wasn't going to happen again.
I felt sorry for the remainder of the opposition!!
The sheer grit and determination of Dormansland was exciting to see. All put their game faces on and went on to win the next 3 games. The last game, number 5, was a bye So Dormansland automatically got the win.
The Day ended with 4 wins 1 loss.
A fantastic result.
All Children need a special mention for their efforts.
Stanley, Charlie, Harry and Nathan for their blistering speed.
Jack, Ella, George, Cameron and Megan for holding the defensive line tight and tagging so quickly I could hardly keep up!
So many scored trys and made fantastic tackles it would be hard to pick anyone out as they were all amazing.
They were an absolute joy to work with ,confident, polite and intense! I believe they really showed that Dormansland were an extremely competitive School and one to watch out for in the future.
Well done to all and keep it up! You did your school proud!

Nathan's Dad. (The man shouting from the touch line!)

Tag Rugby

Last Tuesday eight year 3 and 4 boys took part in a TAG rugby festival at Nutfield School. The festival started with a coaching session run by a coach from Reigate Rugby Club. He taught us some of the rules and ran a few drills. After this we started a competition. Our first match was against Nutfield School which was a close match, however we lost. After each game we improved rapidly and managed to win all of our other matches. At the end of the tournament we ended up coming second place just behind Nutfield. It was a fantastic tournament and we all played really well. This means that we are now through to the final on Wednesday 26th April at Warlingham.
Year 4 boys.
On Wednesday, 29th March we went to Oxted School for the regional finals of the quick-sticks hockey tournament. Although we lost our first game, we went on to win the next four. The whole team played really well and improved with each match. We had great support and coaching tips from Mrs Jones and Mrs Woolner without whom we wouldn't have done so well. A big thanks to them. We are now through to the county finals which will take place in Guildford.

By Ella Saffery

U12 Hockey Team
East Grinstead

They won their league - conceding only a single goal all season. On top of that this photo is taken at the end of today’s match where they played with only 10 men, so not only were they outnumbered throughout none of them could have a rest. They were all exhausted by the end.

Charlie and Luka played their socks off and Charlie scored a hat trick, 2 of which were from a well-rehearsed ‘short corner’ set play. They should be justifiably proud of themselves.

Have you.......won a medal, reached a personal goal, played in a match or event outside of school or entered a competition recently? Don't forget to tell your editorial team about your sporting achievements, so that we can celebrate with you in our next newsletter.
Charity Market Place - 2nd March

Congratulations and well done to everyone involved!

Water Aid - raised £15.50

Pets as Therapy - raised £29.40

Fairtrade - raised £38.80

Black Rhinos & Children In Need - raised £80.00

Girl Guides - raised £32.00
Pics from this half term....

From top left: World Book Day, Fairtrade Fortnight, Y6 at Windmill Hill, Y5 doing Comic Relief, the PTA Easter Egg Hunt and Hats and finally, Y6 at Lingfield Races.
PEGI age ratings are systems used to ensure that entertainment content, such as films, videos, DVDs, and computer games, are clearly labelled for the age group for which they are most suitable. Age ratings provide guidance to consumers (particularly parents) to help them decide whether or not to buy a particular product.

**Tips for parents:**
- PEGI provides advice regarding the age suitability of a game. However, every child is different. Ultimately parents should decide what their children are capable of viewing or experiencing. Here are a few tips:
  - Always look for the age classification on the game package or via the search engine on this website.
  - Try to look for a summary or review of the game content or ideally play the game yourself first.
  - Play video games with your children, watch over them when they play and talk with them about the games they play. Explain why certain games are not suitable.
  - Be aware that online games sometimes enable the download of extra software that can alter the game content and eventually the age classification of the game.
  - Online games are usually played in virtual communities requiring players to interact with unknown fellow players. Tell your children not to give out personal details and report inappropriate behaviour.
  - Set the limits by using the parental control tools of the game console or pc.

The Video Standards Council has useful information including how to set parental controls on your games equipment:  [http://gamesratingauthority.org/GRA/](http://gamesratingauthority.org/GRA/)
