Dear Parents

As usual we shall be participating in the annual flower festival at St. John’s Church. Every child in Years R, 1 & 2 will be making a small flower arrangement to take over to the church, as our school contribution to the show.

Please could you send some flowers from your garden into school on the morning of Friday 7th July.

We will need some parents to help with sorting the flowers and then escorting the children to and from the church. If you can spare an hour first thing on Friday morning please contact the office.

Yours sincerely

Mrs Lowe
