As we approach half term, don't forget that this Friday, the 20th October we will be supporting Breast Cancer Now with another Mufti Day and asking everyone to wear an item of pink along with their school uniform. If you are not into pink then red or similar is fine.

Even though Year 2 will be on the forest and Year 4 will be on a school trip, they can all still wear an element of pink/red for the day, should they wish to or make a donation without it.

Donations will be collected either at the school gates or in class during morning registration. Thank you once again for your support.
