10th May 2017

Dear Year 5 Parents

Re: Taster days at Sackville Secondary School & Lingfield College (formerly Lingfield Notre Dame)

We have been contacted by Sackville and Lingfield College with details of two taster days for Year 5 children.

Sackville will be holding theirs on Thursday 8th June, during school hours and will be providing their own transport, to and from Dormansland Primary School. The children will be leaving shortly after registration and returning to school in time for collection and/or after school clubs. They should attend the day in their school uniform.

Lingfield College will be holding their taster day on our Inset Day on Friday 23rd June and as they are also inviting parents to attend at some point in the day, we will be leaving you to make your own arrangements, but would appreciate knowing if your child does attend. A copy of their flyer is attached with full details of how to contact them, to take up a place. This year we have begun a close working relationship with Lingfield, so all of the Year 5 children have an open invitation to attend their taster day.

As you know, the window of time for applying for secondary schools in the Autumn is a short one and because of this, we highly recommend that the children attend the taster days

Miss Newns and Mrs Holme will be accompanying the children on their taster day to Sackville on the 8th June.

Please could we ask you to return the enclosed slip as soon as possible.

Regards,

Dormansland Primary School

I give my child permission to go to Sackville Secondary School on Thursday 8th June for a Year 5 taster day. I understand that return transport is being provided by mini bus by Sackville Secondary School.
