Dear Parents and Carers of Emerald Class,

During the week commencing 9th October 2017, Dormansland are holding a Food, Fitness & Fun week with the aim of learning about a healthy lifestyle through fun.

As part of this week, we will be baking bread for everyone in school to sample. We will make it on Wednesday morning and bake it during the afternoon. If any of you are able to help at all on this day, that would be great, particularly in the morning. I would also be grateful for one or two people to mastermind the actual baking on Wednesday afternoon. Full instructions will be provided.

In addition, a cooking apron would be really handy on this day as it can be rather messy. The reception class are also making bread on this day, so we have a slight equipment crisis. If anyone has any large (ish) plastic bowls we could borrow, please send them in. Hopefully the children will really enjoy this experience. They will be tasting the spoils the next day at a whole school brunch, where they will also have the chance to taste what other classes have made.

Please let me know via a note, email or come and see me if you are able to help out.

Many thanks,

Miss J Carter
Class teacher, Emerald Class
